Volunteer Descriptions

Timer – time races using a stop watch for athletes during competition.

Starter – Starter starts the race through command by (voice, whistle, or gun). Both interval start and mass start will be used.

Recorder – Receives times from time keeper and records competition times/score onto heat sheets or starting sheets.

Lead/Tail Guides – Escort a heat of 3-6 athletes from staging through competition to awards. Keep athletes together and in the correct location ready to compete, cheer athletes on during competition, escort athletes to awards and stick with group until awards is complete. (Depending on division, group may be able to take athletes skiing until time for them to compete.)

Runner – Run heat sheets from competition to awards as needed (where escorts are not in place) and from awards to Data Entry.

Awards presenter – Present awards to athletes immediately following their competition by placing awards over athletes' necks on award stands.

Awards announcer – Announce competition winners (each athlete) and call up to award stand. Follow Special Olympics Script and read division, scores and places. Should be enthusiastic!

Prepare Awards – Determine placements for awards from event heat sheets. Prepare awards based on placement determination. Give awards to presenter and heat sheet to announcer as ready.

Hospitality – monitors and ensures that hospitality items are refreshed and stocked as needed.
