

Good Afternoon –

As Wyoming is coming to terms with the impact of the coronavirus (COVID-19), Special Olympics Wyoming has made the difficult decision to suspend all activities through the end of May, including training, competition, and fundraising events, effective immediately.

Unfortunately, we will not be able to reschedule Summer Games but will look at potential add-ons to Summer Sports Classic and Fall Tournament. Those Jackalope Jumps currently scheduled are being asked to postpone until the fall. We are working with the Law Enforcement Community with a plan to put our focus on fall runs leading into Fall Tournament.

This difficult decision was made with an overriding concern and consideration of the safety and wellbeing of our athletes and our communities.

For many of our athletes, training is their only outlet to combat the social isolation and health and wellness challenges they face daily. More now than ever, we must work together to support our athletes and keep connected as a community.

- Stay hydrated, getting plenty of sleep, and eat healthily.
- Check out the [Special Olympics Wyoming website](#) for home training activities and opportunities.

Please continue to be vigilant regarding the coronavirus. Follow preventative measures such as keeping your hands clean, avoiding contact with people who are sick, and staying home if you don't feel well.

Additional information, scheduling updates, and tips will continue to be available on our website or through our Facebook page: www.facebook.com/specialolympicswyoming.

Thank you for your understanding, cooperation, and support.

Sincerely,

A handwritten signature in black ink that reads "Pasella P. Jowse".
